

Eclipse Change by Gonzalo Cuscuna - Video - DOWNLOAD

A card is chosen and signed by the spectator and then lost in the deck. Then the magician shows a card, it is not the chosen card, but when passing the deck over it, IT AUTOMATICALLY CHANGES TO THE CHOSEN ONE!!!!

Eclipse Change is an instant, easy and super visual change, it does not require special cards, or gaffs, nor does it need great technical skill. With a little practice you will handle this change with perfection and you will be able to surprise everyone you show it to.

It is 100% anytime anywere. You can do it with any deck, even a borrowed one.
