

The Vault - Side Winder by Akira Fujii - Video - DOWNLOAD

The '**Sidewinder**' accelerates your card work. You can control a card from the middle of the deck. But, this is only the beginning as this technique can be combined with other techniques you already know.

- Steal / Glimpse / Crimp
- Top and Bottom Control
- No Break Dribble Force
- Color Change
- Reverse and Control
- Right hand Palm
- Left hand Palm
- Reverse Left hand Palm

Now, all of the above techniques can be performed faster and smoother than previous methods.

Running Time *Approximately*. 36min

On screen instructions presented in English.
