

The Vault - O rot by Sungjin Lim - Video - DOWNLOAD

"Simply put Seong-jin is a Master of The Close Up Linking Rings. He understands them and develops his own techniques and performance style. Every magician should learn from him."

- **Matthew Garrett**

"Seong-Jin Lim has earned his place amongst the Great Ringsters."

- **Joshua Messado**

This is "O rot" by Sungjin Lim.

So far, there have been a lot of pocket ring lectures.

But there was still frustration.

There were questions that were still unresolved.

In the end, we needed a real lecture that we could learn from scratch.

Whether you're new to the pocket ring or used to it doesn't matter at all.

I speak confidently to everyone who wanted to learn in-depth about the pocket ring.

This is it.

Contents:

- Ring Introduction
- How To Handle The Key Ring
- Double Ring IN & OUT Explanation
- Performance With Normal Rings
- Performance With Different Color Rings
- Explanation For Each Phase
- Back View Performances
- Spectator Routine Performance and Explanation
- Additional Tips and Details
- Explanation of Spectator Routine

- Miscellaneous

As an additional gift for you, a special link appears in the middle of the video.

Try to find it!

Through this, you can learn a great routine as a bonus.
