

Spin Change by Gonzalo Cuscuna - Video - DOWNLOAD

Spin Change is an extremely easy and visual color change.

The spin change can be used not only as a color change but also for for your ambitious card routines.

The same move can be done with a face - up card instead of a face down card.

IMPROMPTU and can be played with a borrowed deck.

In the explanation video you will learn how to perform it with one card or with multiple cards.

Download the video and learn it today!
