

T.C.H.I by Ido Daniel - Video - DOWNLOAD

A new way to vanish and appear the corner of a card!

Tear a corner, make it vanish and then you can make it appear inside the cellophane on the card box.

It's totally easy and practical to do.

And the cool part is you can use any deck of cards that you want.

Are you ready for T.C.H.I ?

Grab it before your friends do!
