A freely chosen card is selected and signed. You point out a prediction card on top of the card box that has been there since before the trick began. The prediction card is impossibly now the signed card!

This is not a trick.

This is a magic utility device with so many possibilities.

The limit is only your creativity.

"Good job Jawed!"

But wait there is more.

This is not just a switch, you can also do an ACAAN and a torn and restored card.
