

## The White Box by Thinking Paradox - DOWNLOAD

The power of a prediction box that fits in the palm of your hand. The **White Box** is a collection of ideas and routines based on a novel prediction system.

With this tool, you can perform numerous real-time predictions without external helpers. We teach you an innovative methodology that you can use to create dozens of routines. You'll have the power of a Master box prediction in the palm of your hand.

Learn now 3 close-up and stage routines:

### **Rubik's Cube**

An impossible coincidence between a small paper cube and a Rubik's Cube mixed by a spectator.

### **Gift Box**

Predict any wish named by a spectator, inside the smallest gift box in the world.

### **Sword Box**

A great mini-illusion and a forensic report that will match the damage caused to your small assistant.

Key points:

- It's not just a single effect, it's a new method applicable to many different effects.
