GLIMP By Stefanus Alexander - Video - DOWNLOAD

Glimp is a cool effect on appearing prediction!

Usually, a magician can change a prediction 1 time. But with Glimp, the magician can change the Prediction 3 times. Not only can it do multiple changes, but the gimmick is erasable.

So, it makes the box examinable before and after performances

- Visual effect
- Easy set-up
- Easy to-do
- · Reset in seconds
- Easy to make
- Great for live performances
