

Ultimate Card Find by Sergey Zmeev - Video - DOWNLOAD

Imagine this:

A spectator freely selects a card, placing it back into the center of the deck. The magician gives the deck several thorough shuffles, ensuring the card is lost in the mix. To further build the suspense, the magician reveals that the chosen card is neither on the top nor the bottom, confirming it's truly somewhere in the middle. Yet, with a touch of magic, the magician astonishingly locates the spectator's card, leaving everyone in awe.
