

The Assistent by Patricio - Video - DOWNLOAD

The spectator chooses a card, shows it to the audience, then it is lost in the deck. The artist shows a special card that has a face drawn on it. It comes to life by moving the eyes and mouth and finally transforms into the selected card, a real miracle.

- 35 minutes of instruction.
- No magnets, no changes.
- Ultra visual.

Note: This tutorial requires craftsmanship and following the steps is a medium level in construction.
