

Elasticube 2.0 by Patricio Teran - Video - DOWNLOAD

The most original cube routine you've ever seen!

Patricio brings us **Elasticube version 2.0**, the examinable version. You stretch a square of your cube and when it snaps back into place, the entire cube changes color. This detailed tutorial teaches you everything you need to know about building this amazing hack at home.

Also, the examinable version and a version with a full color change are explained.

Download **Elasticube** today and start learning this masterpiece of visual magic!
