

The DOT by Peter Turner and Pigcake - Video - DOWNLOAD

Using a marker, place a small dot in the center of a blank card. You have successfully created one of the most powerful mindreading devices in the history of mentalism. You see, **The Dot** can transfer the thoughts from one spectator directly to another. If you show the dot to two participants, they will find themselves able to arrive at the same thought-of number, duplicate each other's drawings, and even help you with an ACAAN routine.

Pigcake and Peter Turner team up again to bring you some of the most potent mentalist advice with the best video instruction currently available.
