

## Sliced by Zoen's - Video - DOWNLOAD

**Sliced** is a visual effect where the spectator's chosen card is wrapped in rubber on top of the deck.

When we give it a magic spell, it will be cut into two parts and when put back together, it will slowly become a whole card without any cuts or tears at all!

- No magnets
- No threads
- No elastic
- Fully examinable
- Simple and easy to perform
