

## Balance by Sultan Orazaly - Video - DOWNLOAD

Balancing objects is one part of visual magic. Many magicians try to make it clean and beautiful. **Balance** is a new approach to the effect of balance. 3 very visual and simple effects.

**Hand Balance:** You make a card stand flat on your hand.

**Angle Balance:** The corner of a card balances on your index finger.

**Balancing Cigarette:** A very crazy and brain-breaking trick. You balance a card and also balance a cigarette on the card!

After the trick, all items are handed out for examination.

**Download the video and learn this amazing feat of balancing!**

Additional supplies may need to be purchased to perform this effect.
