

Pocket Left & Right Prediction by Wolfgang Riebe (Mixed Media) - DOWNLOAD

Unlock the power of coincidence with **Pocket, Left & Right by Wolfgang Riebe!** This mind-bending effect will have your audience questioning reality as you effortlessly influence their choices.

Picture this: You shuffle a deck of cards and hand three to a spectator. They freely shuffle and choose one to keep in their pocket while the other two cards are again shuffled and one card kept in either hand - total free choice for the spectator. The jaw-dropping moment arrives when the card in the left-hand reveals "LEFT," the right-hand shows "RIGHT," and the pocket card declares "POCKET." And just when they think they've seen it all, you reveal that the rest of the deck is completely blank!
