

The Show By Simon - Writing a Show for Magicians and Mentalists - eBook - DOWNLOAD

One of the Most Important Books You Will Ever Read

I say this not because I wrote it, but because it tackles an essential topic that is rarely discussed in the world of magic. While there's a lot of information about how to perform tricks, little is said about how to structure those tricks into a cohesive show that connects with your audience and complements your unique performance style.

In this book, you'll learn how to create a full show from scratch—from the initial concept to selecting an opening effect that captivates the audience, to crafting a climactic finale that leaves everyone speechless. This book provides a step-by-step guide to designing acts that are engaging, emotional, humorous, and suspenseful.
