

## **E-Break by Adam Allred - Video - DOWNLOAD**

**E-Break** is a broken and restored rubber band effect that takes place in the spectator's hands! Not only will you learn this SPECTACULAR handling, but Adam will also be teaching two BRAND new methods for executing the Crazy Man's Handcuffs rubber band penetration!

**Here's what Richard Sanders had to say about this project:**

*"The crazy man's handcuffs is a timeless classic for the simple reason... it's bulletproofed in just about every environment. To be able to improve this classic is IMO, astounding. Adam's work on this is truly a breakthrough in thinking and will forever change how you END this classic piece. I LOVE THIS!!!"*

So don't hesitate on making your rubber band magic a little bit stronger... go ahead... **PULL THE E-BREAK!**
