
ACE FULTON'S 10 YEAR ANNIVERSARY SUNSET ORANGE PLAYING CARDS

Ace is going all out for the TENTH ANNIVERSARY of the ORIGINAL Casino Cards from the modern era. This back is an authentic reprint of the 2012 classic but this time with inverted colors - Tobacco Brown and Sunset Orange, rather than Tobacco and Cream.

Each of these authentic reprints are housed in a special letter pressed tuck box complete with the gold emblem which is embossed on the front stating "TEN YEARS OF ACE FULTON." These backs are Fulton's long time dream - a back that matches the legendary tuck box.

Printed on crushed "Buck Twin" stock by the USPCC, produced by the legendary duo, Dan & Dave. This special edition is sealed with the original "D&D Playing Card Company" seal, submitted for your approval.
