
El Dorado by Kings Wild Project - Pokerdeck

Part of the 2022 Vintage Reimagined Series, The El Dorado playing cards take the vintage design of the original El Dorado Playing Cards from the late 1800s, and puts a new artistic touch on their design.

Designed by Jackson Robinson and produced by Kings Wild Project, these cards are printed in the United States by the United States Playing Card Company on classic bicycle stock, keeping the luxurious quality of the original vintage deck close to heart.
