
The Green Man (Summer) by Jocu - Pokerdeck

Designed in Italy by Sicilian artist Alessandra Gagliano, **The Green Man Playing Cards** are a celebration of the magic and mythology of the plant world. After the success of *Fillide - A Sicilian Folk Tale*, Jocu return to ancient art and folklore, exploring this iconic character and delving into the legends behind dozens of plants and trees said to contain magical properties.

The luxurious full-foil tuck boxes were printed under the supervision of our head designer in Italy, and feature bright foils and embossing.

Printed in Belgium on Cartamundi's premium B9 slimline card stock, our elegant and luxurious playing cards spread, fan and faro beautifully and will bring a dose of real magic to your performances, flourishes and card games.

The new **Summer edition** for 2022 features completely new artwork and courts exploring different plants and folklore from the warmer climates of Southern Europe
