## Cherry Casino Sands Mirage (Holographic) - Pokerdeck

Introducing the **WORLD'S FIRST large scale DOUBLE HOT FOIL playing cards**...the Cherry Casino Sands Mirage (HOLOGRAPHIC) Playing Cards.

Every color of the rainbow radiates from the Cherry Casino Sands Mirage (holographic) as the light catches the holographic foil backs, and then (literally) the "cherry on top" is a **SECOND** foil. Yes, the cherry is hot foil on **TOP** of hot foil. Almost like magic, the foil cherry slowly changes from a deep, dark cherry red to a bright, juicy red as you slowly rotate the card.

The subtle layering of the hot foil, gives a slightly raised appearance for a high-end feel. You won't be able to resist the urge to touch and feel this incredible deck.

Cherry Casino Sands Mirage (HOLOGRAPHIC) Playing Cards are not just something you have to keep on the shelf. These cards **FEEL** amazing. No roughness. **NO** crazy thickness...and **YES**, Casino Grade stock.

Each card is **HAND CRAFTED** for premium quality. As with all Cherry Casino Playing Cards, the Sands Mirage (Holographic) Playing Cards are sophisticated, yet reasonable in price.

Let your senses embrace the Cherry Casino Sands Mirage (HOLOGRAPHIC) Playing Cards.

**BEHOLD** the breathtaking beauty of the world's first large scale **DOUBLE** hot foil playing card deck.

Appreciate the incredible **FEEL** of these high quality cards.

**LISTEN** to the consistent soft, fluttery sound as you riffle through the deck.

Own this amazing deck and enjoy it.
