Chinese Chessboard by Anywhere Worldwide - Pokerdeck

The first edition is design as a Chinese Chessboard and there is a red cannon on it.

It's included

- Set of 52 cards + 2 Jokers
- 20+21 Faces

(Who can tell me which playing cards aren't included the things above)

Our design is based on The Chinese Chess, so we have pick just one pieces which is cannon to make a great contrast when you doing cardistry, magic or normal Poker game.

It's printed in Taiwan by Hanson Chien productions on their premium vintage stock with legendary finish. "Anyone" who has handled this finish will understand the quality, making this deck perfect for any magician, cardist or collector.
