
House Mars by Midnight Cards - Pokerdeck

Red Rising: **HOUSE MARS Playing Cards:** The House Mars Deck is an officially-licensed design, based on the Red Rising books by Pierce Brown.

The fully-custom design features beautiful character illustrations by Briana Crotinger and design by Randy Butterfield. It's printed by Legends Playing Card Co. and utilizes their exceptional classic finish.

The courts and Jokers are highlighted with Briana's illustrations of Pierce Brown's characters.

The back card for the House Mars Deck prominently features the House Mars sigil.

The PIPS each feature some of the Red Rising iconography. House Mars for the Hearts, Gold Sigil for the Spades, Red Sigil for the Diamonds and The Society for the Clubs.

The tuck box for the House Mars Deck also features the House Mars sigil. It has rough texture imagery within the wolf head and is set off nicely with the contrast of the black rock texture background. Scattered throughout the tuck box and back card are elements of gold leaf designs. They symbolize an Iron Rain. The House Mars Deck will take your game night to the next level!
