## **Bee Blue MetalLuxe by US Playing Card - Pokerdeck**

"Bee", the playing card brand that has been a well-respected brand in Casino circles for years, is now available in the coveted MetalLuxe finish! "Bee" MetalLuxe Playing Cards feature the traditional diamond back pattern card back design accented in a gorgeous blue foil. The tuck case features both blue and gold foils for an ultra-premium presentation. Each card back features the traditional "Bee" diamond back design, and is hot-stamped with real metal foil, turning this classic card back into a work of art. All "Bee" playing cards are produced with the classic Cambric finish that only USPC can manufacture which is the finish that casinos and consumers trust for optimum shuffling and card-handling. "Bee" MetalLuxe Playing Cards will be a perfect addition to the collector's assortment or will dazzle players at your next game night.
