
Solokid Neptune by Solokid Playing Card Co. - Pokerdeck

From the galaxy not so far away,, Neptune, Lunar, and Mars are the "big three" that mankind are aware of, representing our dreams and hopes surfing lightyears away. These are the Solokid Planets.

The entire **Solokid Planet Series** is hand drawn and illustrated by the designer. The Neptune features an elegant light-blue over the canvas that is the universe. The stars at the back design complements the deep blue background, as if staring in the deep abyss of the sky.

The **Neptune Playing Cards** is printed by Taiwan Playing Card Company with their legendary luxury finish.
