
Gingerbread - Pokerdeck

The only thing better than being cozy by the fire during the holidays is when you add a sweet treat into the mix! **Gingerbread Playing Cards** provide the perfect balance of sweet & spicy for all of your holiday gatherings.

Whether you want to entertain the nieces, nephews, and grandkids with your latest card trick, or you're going all-in and betting your entire stocking during family game night, the **Gingerbread Playing Cards** are the perfect choice for any activity.

Designed by Douglas Fuchs, the **Gingerbread** deck has 100% custom artwork. The festive, colorful tuck box comes complete with inside printing and a custom sticker seal, while the back design features adorable gingerbread houses encased in snow globes surrounded by Christmas lights, candy canes, and more.

The custom faces have gingerbread cookie pips and friendly characters on all 12 courts, plus enlarged center pips on all four Aces. Even with all of this new artwork, the deck never sacrifices playability. You'll also receive two unique jokers and two bonus gaff cards.

Gingerbread Playing Cards also feature UltraLux™ Finish. UltraLux™ uses casino-grade European card stock that has been crushed to the perfect thickness, with just the right amount of linen texture. Penguin then applies vegetable-based inks and AquaFlow™ water-based coating to create a deck that handles like an absolute dream.

The cards are traditionally cut with smooth edges that provide just the right amount of grip. These cards are soft enough to get to work straight out of the box, but durable enough to meet the needs of a full-time magician, cardist, or card sharp.

The **Gingerbread** decks are sure to fill you with holiday joy!
