## **Ace Fulton's Thunderbird Room by Art of Play - Pokerdeck**

From the creative direction of playing card designer Brad Fulton comes an all-new edition to his popular series of Ace Fulton's playing cards.

Inspired by the beautiful Arizona Sunsets and a retro color palette of the 60s - **Fulton's Thunderbird Room** plays out as a masterful casino deck that will instantly take you to the beauty of the Valley of the Sun.

**Thunderbird Room** is a fictitious High Stakes Poker Room at Ace's flagship location in North Las Vegas.

Illustrated by Jeff Trish in a mid-century style and produced by The Buck Twins, this creation is a timeless representation of beauty in the world of playing cards.

Printed by the U.S. Playing Card Co. on our preferred thin stock.
