
Sacred Fire (Emerald Flare) by Riffle Shuffle - Pokerdeck

Fire has always been one of the most unpredictable of the four elements. Unstable, burning, all-consuming. It mystifies humanity since its very discovery and instills respect or even fear in our hearts. How many times have you been sitting by the fire, observing its flames dance freely, and you felt chills running down your spine? This is the feeling that the Sacred Fire deck wants to excite in you.
