
Diamon N° 17 by Dutch Card House Company - Pokerdeck

The eye-catching **Diamon Playing Cards N°17: Royal Victory** is 7th edition in the *Diamon Playing Cards* series by the *Dutch Card House Company*. The vivid deck is crafted for Cardistry and Card enthusiasts. The contrasting bright colors will make fan, flourish, and shuffle outstanding.

If you are familiar with the previous Diamon designs, N°17 holds the same diamond pattern with two bright colors featuring a composition of the ranging from Teal to Petrol and from Magenta to old Pink and Purple hues.

Much of what you know and love about the Diamon deck series has remained the same. N°17 features the same small border-bleeding diamond that folds over the edge of back design and face cards, allowing for awesome spreads and fans!

The pips are consistent with the Diamond pattern found on the back to create a harmonious deck of cards. Overall, N°17 is fully custom, complete with custom-designed aces and court cards.
