
Bicycle VeniVidiVici Metallic by Collectable - Pokerdeck

More than 2000 years ago Julius Caesar used the phrase "Veni, Vidi, Vici", or in translation, "I came, I saw, I conquered." when he triumphed in a short war against his adversary.

This design was inspired by the world's history of wars and conquerors.

A full year in the making, painstakingly hand drawn, you will want to Go, See, and Conquer this shimmering gold masterpiece for yourself!
