
Scratch & Win by Riffle Shuffle - Pokerdeck

"Only the Players are Winners"

We are proud to introduce the **Lucky Streak - Scratch and Win Playing Cards**. Each tuck box of the Lucky Streak consists of a scratchable paper material infused on the premium matte finish tuck case. You can actually scratch them off!

If you enjoy a fun time with families and friends, the **Lucky Streak Playing Card** is the perfect deck to bring them together. Each card is designed to mimic the aftermath of a scratch & win, and each court card is custom-designed to have a fresh look hosting the lottery event.

If you successfully scratched and revealed a chocolate bar symbol, you get a Gold Foil Gilded Playing Card! The **Lucky Streak Playing Card** is limited to 2500 decks.

Produced by United States Playing Card Company with their premium Bee stock.

Note: If you reveal a "gold bar" symbol, you will get surprised with a 1 of 100 Gold Foil Gilded Playing Card!

THE CHANCE OF WINNING IS 1/25
