
Centurio - Pokerdeck

Centurio is the first deck in a series of playing cards based on ancient civilizations. It features artwork by Victor Kevruh and is based on ancient Rome. The court cards showcase intricate illustrations and the tuckbox features gold/red/white foil colors, embossing, and interior gold foiling. The decks are sealed with metallic numbered seals.

The cards are printed by the United States Playing Card Company and the tuckboxes are printed and assembled by Gamblers Warehouse. **Centurio** was produced as a limited edition run of 2500 decks.
