5 peek techniques to cover EVERY SITUATION

Peek & re-peek without suspicion

Innocent looking gimmick, hides in plain sight and is built to last.

Insider resets instantly and works in ALL lighting conditions.

Ready to use immediately, no arts and crafts.

Includes 90 minutes of video instructions; explaining 8 Insider routines, mentalism psychology and performance subtleties.

"If you want to read minds reliably, you need this. It's very rare that I'm left kicking myself thinking, "I wish I'd thought of that." But as soon as Marc shared the workings of this device, I immediately realized he's solved decades of problems with a classic method. He's re-engineered this principle to ensure it's more deceptive and invisible than ever before. If you want a reliable method for learning information in the real world - close up or on stage, then you've found it. My main piece of advice?... Get two."
