
Surfboard V2 by Riffle Shuffle - Pokerdeck

Are you missing the soft sands, fresh waves, and ocean breezes surrounding you? No matter where you are located, we are here to introduce you to a deck that can take you to the mesmerizing beaches and experience the ultimate calmness. Here is the second edition of the popular **Surfboard Playing Cards - The Surfboard V2: Sunset Session**.

The **Surfboard V2 Sunset Session** takes you on to a whole new beach experience. Normally, you would be surfing when the sun is up high and everything is filled with blue skies and clear waters, with this edition, the designer Dario Genuardi wants to show you the beauty of surfing under the sunset, reminding you to seize the wave before the sun goes down.

The **Surfboard V2: Sunset Session** is FULLY MARKED and is printed by the United States Playing Card Company. AIR CUSHION finish with their legendary Bee crushed stock. Limited to 2500 decks.
