
Trevor Duffy's Coin Dropper RIGHT HANDED (Half Dollar) by Trevor Duffy

Trevor Duffy's Coin Dropper is a precision-made utility device for immediate and inconspicuous delivery of 5 coins to the hand. See these important points:

1. Manufactured in stainless steel.
2. Black powder coated for concealment.
3. One dollar and half dollar sizes.
4. Left and right-handed versions.
5. Can take slightly smaller coins with an easy self-made modification.
6. Each version holds 5 coins. In addition, the dollar size can accommodate 10 Norm Nielsen type palming coins.
7. Built in belt clip or attachable with safety pin (provided)

"Yours is by far the best coin dropper I've found, and you've made that aspect of my act a lot less stressful.
