
Empire Bloodlines (Black and Gold) Limited Edition - Pokerdeck

LIMITED EDITION: Only 2000 printed! Will NOT be reprinted.

Black. Gold. Limited.

When you hold yourself to a higher standard, you deserve the finer things. Beautiful, ornate bordered backs. Signature 'Diamond Cut' glass-like edges. Printed to exquisite standards by Legends Playing Card Co. The epic and ornate engraving style artwork of the original **Empire Bloodlines** editions, now in a deep midnight black ink with shimmering gold accents, every beautifully custom-illustrated card drips with class.

Crafted by Kings & Crooks designer Lee McKenzie and made with imported European premium-grade paper, the limited edition **Empire Bloodlines** has a classic finish and a traditional cut for experts. The experienced card connoisseurs will instantly feel the superior handling fresh out of the box (that is, if you dare to break the seal).

Never to be re-printed, each luxurious limited edition comes with an individually numbered gold seal for collectors. Just 2000 decks were originally produced and offered only to a select group. Locked away in our private reserves since, they remained a forbidden, lost luxury. Until now.

With playing cards of this class, very few will have the chance to call them their own.
