
Axis by Riffle Shuffle - Pokerdeck

LIMITED EDITION: Only 2500 printed! Will NOT be reprinted.

Introducing **Axis Playing Cards**, a Neo-Tokyo inspired deck of cards with a twist, Literally! Made in collaboration between Occupied Co. and Riffle Shuffle.

Axis features a flipbook-styled back design, that when riffled through, will cause the globes to rotate 360 degrees. Along with this unique feature, the deck touts a bright green and dark blue back design, inspired by Neo-Tokyo designs and early 2000s spy movie artwork. Each Court card has its own unique design and is made to fit the overall theme of the deck, along with recolored dark red and dark green pips cards.

Printed on a **premium crushed stock by the United States Playing Card Company.**

Limited edition of 2500.
