
Ascension (Summit) - Pokerdeck

"It's not about being the best. It's about being better than you were yesterday."
- **Unknown**

Created for the art of flourishing and cardistry, take your moves to new heights with **Ascension Playing Cards**.

Ascension:

- A movement upward
- The act of changing location in an upward direction
- The rising of a star above the horizon

Printed by U.S. Playing Card Company on premium grade crushed stock and embossed card finish; you will love the feel and handling of **Ascension Playing Cards**. Includes specially designed Ace of Spades and 2 Jokers.

The tuck and card backs feature a jet black night sky, with a contrasting stark white mountain...representing the challenges that lie ahead of us before greatness. The stars speckle slightly in the background as you stare into the its immenseness.

Proceed with caution, but never give up.
