## **Sponge Tennis Balls (3 pk.) by Alan Wong**

**Sponge Tennis Balls** is back after long off the market due to ongoing requests! The balls are 2.75 inch in diameter. Each one is hand dyed and hand painted to give that realistic look and feel. Buyers please note that these are not super soft sponge balls, as they need the density to look so highly realistic.

**Sponge Tennis Balls** has been used by professional magicians worldwide, and now you can add it to your shows with instant success!

Product comes in tube container of 3 (three) **Sponge Tennis Balls** and no instructions.
