
SYZYGY 1-6 Hardbound by Lee Earle - Buch

There are very few publications that can legitimately claim they have altered the way Mentalism is presented; **SYZYGY** is one of them. Editor Lee Earle accepted contributions to the newsletter on matchbooks, cocktail napkins, telephone calls, and scribbled legal paper and then rewrote them all, supplying his wordsmithing expertise and professional entertainer's perspective that Mentalism is about the audience and not the performer.

Five hundred twenty eight 8 1/2 x 11 inch pages offer over 270 full routines, hundreds of photos and illustrations, interviews, and professional advice from the top professional and amateur performers around the world. The presentations within run the full gamut from mental magic to solid and incredibly impactful Mentalism. Indeed, these exclusive pages contain a celestial lineup of personalities and material. A **SYZYGY**.
