
PSISet by Vernet

Mentalism brought to a whole new level!

Psimbol + Psimind Decks 2.0

PSISet has three cleverly hidden principles; these combined allow you to perform more than 8 professional routines for parlor and close-up!

Two specially designed and manufactured high quality decks of symbols.

Divinations, predictions, coincidence, drawing duplications and many more!

Includes video download with step-by-step explanations.

You can combine both decks to make your own routine -- the possibilities are endless!
