## **Invisible Writer (Grease Lead) by Vernet**

**Vernet Magic has the most complete line of writers. But there was one missing, until now -- a writer undetectable under conditions of high scrutiny.**

**We're proud to present:**

### **Invisible Writer by Esteban Manazza**

It allows new handlings that make the writer "Invisible"

- New and original model
- No sticky stuff, no glue, no blu tac
- The perfect balance between size and stability
- Ultra-safe
- Comfortable
- Perfect grip
- It includes a video download with complete instructions

Grease lead 4mm

Pencil lead 2mm
