
Fillide: A Sicilian Folk Tale (Acqua) by Jocu - Pokerdeck

Inspired by the Sicilian folk legend of the origins of the almond tree, **Fillide** tells a timeless tale of magic and heartbreak passed down for centuries.

Fillide, the first project from **Jocu**, is a brand-new concept in professional playing cards for magicians, cardists, gamblers, cartomancers, collectors and lovers of magical things.

Fillide playing cards don't just handle beautifully, they tell a story.
