## **Mystikos Envelopes by Pablo Amira and Alan Wong**

An envelope is a fantastic and innocent tool for magicians and mentalists.

**Mystikos Envelopes** offers you a new practical, durable and elegant solution for your performances.

In each pack you will receive:

- 10 normal envelopes
- 10 window envelopes with removable clear plastic

Made in mystic black color. Strong Tyvek material guaranteed to last for repeated use.

You can use it as a single item, or in conjunction with other props (such as our Universal Switch Device) to expand your options!

**You will also receive video and written instructions with a variety of commercial ideas and routines:**

- 1. Homage to Theo:** A full act using a powerful combination of principles.
- 2. Psychic Elimination:** One participant FREELY selects any ESP Symbol. Another person, while in an intuitive trance, draws one of the ESP Symbols. They are identical. A synchronicity is created!
- 3. Black Night:** A direct approach to the classic opener, perfect for any stand-up parlor performance.
- 4. Dual Experiment:** A double test-conditions test. Prediction and mindreading, all in one.
- 5. The Best Gift:** The perfect routine for any birthday. A complete mini act using your new envelopes.
