## **Close Up Linking Rings CHROME BLACK by Matthew Garrett**

These rings are of the highest quality. The amazing chrome black finish is a color between traditional silver and dark matte black.

This chrome black finish is shiny and is our favorite finish. The plating is smooth and of the highest quality. It does not chip and is very hard wearing.

These rings measure 4.5" outside diameter and 4.5mm thickness. They are the perfect weight and size.

These rings are supplied with the online video link for The Linking Rings - Quick Start Guide by Matthew Garrett.

"The Material is powerful, and your instructions are very clear."
