
Sumi Grandmaster by EPCC - Pokerdeck

Concept of the Sumi Playing Cards: Grandmaster Edition

This deck is an homage to Irezumi, the traditional Japanese tattoo art form. **The Sumi Playing Cards: Grandmaster Edition** faithfully emulates the iconic elements of ukiyo-e, fantastical mythological creatures, and Heroes of the Marsh. It forges a visual playing card masterpiece like no other. It is truly a masterpiece, bursting with symbolic significance at every movement of the cards, including spins, shuffles, fans, cardistry, and more.
