
SECONDS by Agus Tjiu

Here's something your spectators have never seen - an instant frozen in time!

SECONDS is a time-stopper effect.

With simple set-ups, you can freeze time on pulled-up noodles in their cup for a second.

Make them freeze in time in the most impossible position!

Up to 360 degrees observation by your spectator, and can be checked before and after the performance.

Perfect for performing street magic in any public spots, convenient stores, or picnic grounds.

Features:

- Device built from a long-lasting material
- Compact enough to hide in your palms
- Up to 360-degree angle floating views
- Works with almost every brand of instant noodle cup
- Detailed tutorial with how to maintain your device.

Packed in an exclusive package by Tjiu Magic, this "out-of-the-cup" idea can give your magic performance a fresh touch.
