
PINcredible by Mr. Pearl

PINcredible, Mr. Pearl's newest trick, has been released!

Mr. Pearl's re-interpretation of the classic linking pin routine allows you to make magic happen right in the spectator's hands! And as you know, spectators respond most strongly to magic that happens in their own hands.

The pins will link or unlink right in front of their eyes, making it even more amazing!

The pins are 100% examinable and it can be given as a souvenir.

The pins included are plated with silver in the best quality. Therefore, they can be used as an everyday accessory that you can use for magic anywhere, anytime.

But of course, any type of pin can be used for this routine.

Make magic happen with **PINcredible**!
