## **Rosy by Magic Eye & Magiclism**

Want to impress the ladies in your audience? Women adore magic dealing with roses, and especially the topic of love.

The magician displays four cards face up with roses printed on them. One by one, he is able to have them turn face down in a very magical way. The magician then waves his hand over them, and the roses transform into four letters, forming the word "LOVE"!!

Content: 1 x DVD, 1 x **Rosy** Card Set
