
SKETCH MONEY by João Miranda and Julio Montoro

Making money magically appear always astonishes the audience.

Thanks to the creative minds of João Miranda and Julio Montoro, that classic is now better than ever!

In this illusion, the magician shows a pad, and sketches a bill.

Suddenly the drawing VISIBLY jumps out of the pad, transforming into real money!

- Gimmick supplies included
- Customize to any bill from any denomination
- Customize the design to fit your presentation
- Comes with enough material for 3 different bills, so you can vary the performance.

The illusion is extremely easy to perform, and is always guaranteed to get an amazing reaction from the audience. Mystify and excite your audience with **Sketch Money** - they've never seen anything like it!

TV rights are included with the purchase.
